WELCOME! I've lived in Nashville over 30 years and <u>recommend only experiences I've done myself and truly enjoyed</u>. Please pick and choose based on YOUR interests, energy level on a given day, and schedule. History, the arts, food, drink, outdoor/lake and mountain living, sports, shopping, dance... our diverse city has a lot to offer!

See more about many of the experiences below at <u>SouthernGirlGoneGlobal.com</u>.

I've included my favorite <u>Airbnb</u> stays. The 12th South and East Nashville homes are a short Uber or Lyft ride away from city attractions, but there are many great choices from urban, walkable neighborhoods to quiet, bucolic settings. I've also enjoyed staycations with family at <u>Omni Nashville Hotel</u>, <u>Opryland Hotel</u>, and <u>Green Hills</u>

<u>Hampton Suites</u>.
